

Energy

Last Modified on 01/10/2025 1:24 pm CST

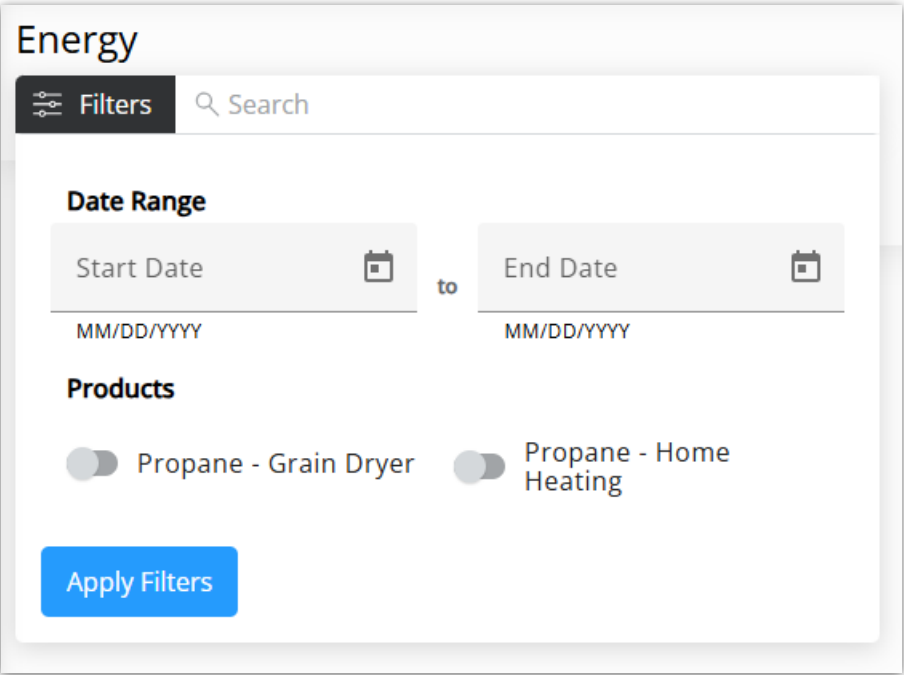

Energy Tanks and tickets associated with those Tanks can be viewed from the *Energy* menu option in Grower360.

A listing of active Energy Tanks displays the Tank name or serial number, *Last Del Product*, *Tank Size*, *Last Fill Amt*, *Last Fill* date, *Tank %*, and *As of* date for the *Tank %* reading. The *Tank %* is the percent at the time of the last delivery.

Note: Tank Monitor Readings display in the *Tank %* area if applicable.

Tanks can be filtered by selecting **Filters** to the left of the *Search* field. Selecting **Filters** displays options to filter tanks by *Date Range* (which is the *Last Fill* date) or *Products*. Tanks can also be searched by the Tank name or *Product*.

The filters selected display below the **Filters** button.

To view Energy tickets associated with a Tank, select the Tank from the list. Each Energy ticket associated with that Tank displays, including the *Service type*, *Service Date*, *Units*, *Inv. Amt*, and *Invoice #*. Select the **Expand** icon to view the *Delivered Product*, *Unit Price*, and *End Fill %*.

Energy > Home Heat

Home Heat [Refill Tank](#)

Estimated Tank Fill Percentage - 85%

| | | | | | | |
|---|---------------------|----------------------------|-------------------|--------------------|------------------|--|
| 4011 | Service Delivery | Service Date 11/09/2024 | Units 0 gal | Inv. Amt \$0.00 | Invoice # 141 | |
| Delivered Product Propane - Home Heating | | Unit Price \$1.15 | End Fill % 85% | | | |

The *Estimated Tank Fill Percentage* displays at the top of the page and is the percent at the time of the last delivery. These tickets can also be filtered by choosing **Filters** and selecting a *Start* and *End Date*. Additionally, tickets can be searched by the associated Energy ticket # or the *Invoice #*.

Navigate back to the Energy Tank listing by selecting *Energy* from the breadcrumbs at the top of the page.
