

Energy Tank Refill

Last Modified on 02/03/2025 9:47 am CST

Note: Contact your retailer if this function is not available.

Select **Energy** from the left navigation panel.

1. Choose the **Ellipsis** on the appropriate tank and select **Refill Tank**.

2. On the *New Order* window, choose *Fill Tank*, *Select number of gallons*, or *Select amount of purchase*.

New Order

Grain Dryer

- Fill tank
- Select number of gallons
- Select amount of purchase

[Cancel](#) [Continue](#)

3. Tank information displays at the top of the page followed by the *Terms*.
4. *Fill Tank* gives the size of the tank and the estimated percentage full. Choose the **Pencil** to change what was selected in Step 2.
Note: If *Select number of gallons* or *Select amount of purchase* was chosen in Step 2, *Fill Tank* will change to *Number of gallons* or *Amount of purchase* respectively with an area to enter the gallons/amount.
5. Edit the *Delivery Address* information if necessary. This will default the billing address from the customer tank.
